Subject: Amendment to Notice of Intent and Approval of Form and Amount of Surety, Rhyolite 1, S/021/032, Iron County, Utah

Dear Mr. Hafen:

On May 17, 2007 the Division received your amendment changing the maximum amount of disturbed area from 5 acres to 3 acres on the Rhyolite 1 mine. This change will now be incorporated into your Notice of Intent and makes your amount of surety consistent with your Notice. You now have Division approval of the form and amount of surety for the above referenced site.

Thank you for your help in completing this important permitting action.

Sincerely,

Daron R. Haddock
Permit Supervisor
